

Dear Parents,

1.4.26

We would like to take this opportunity to say a heartfelt thank you for your generous contributions to our Early Years fund. Your support truly makes a difference to the experiences we can provide for the children and enables us to enhance the learning environment even further.

So far, the EY fund has been used to buy:

- Ingredients to make fresh playdough on a weekly basis.
- Extra resources for topic work, and Christmas/Easter craft.
- Ingredients for baking Valentine's biscuits and Chocolate Easter nests.
- Plants, soil, pots and seeds.
- Extra resources for areas of provision e.g. water play – baby bubble bath and sponges.

Thank you once again for your generosity and for being such a supportive part of our school community.

Have a lovely Easter.

Kind regards,

Mrs Nicholson & The Early Years Team.
