Year 1 Spellings Spring Term 2 2023

Dear Parents and Carers,

We will be continuing this term to send home the words from the 100 HFW list. We will continue to send home only 5 words to learn each week as we feel that is a manageable amount. The more the children practise them the better they will become and the more confident they will be to use them independently.

Please support your child to learn the spellings at home. First, we encourage parents to write out the words for the children to look at and read, then practise writing out. Your child might need to write them out a few times in order to remember them. Finally, parents can check by giving a 'mock' test. This is the Look, Say, Cover, Write, Check method.

On Fridays, the children will be given a short spelling test during their phonics session which is part of their phonics practise. We will inform parents at the end of the half term of spellings they need to continue to learn.
