Year 3 Reading Comprehension and Maths Weekly Homework

Dear Parents or Carers,

This half term we are continuing to focus on children's independence and reading stamina when answering comprehension questions, something required of them to meet the end of year reading expectations. We would also like children to practice their Maths fluency when solving addition subtraction, Multiplication and Division.

Therefore, we will be setting a weekly homework task for the children to complete. The work will be set on a **Wednesday** to be returned to school and to be marked the following **Wednesday**. Please see below which activities are to be completed each week. As with all children's best work, merits will be awarded where appropriate.

Tasks will be uploaded to Seesaw and on the website each week. **We will not be sending home the printed tasks, they should be looked at online.** Please let us know if this is a problem. **Don't feel you need to print them, children can record their answers in their blue homework book.**

| | Activity |
|--------|---|
| Week 1 | Reading The Case of The Missing Lunchbox Chapter 1 <u>Week 1 Comprehension</u> |
| Week 2 | Maths- Bus Stop Division <u>Week 2 Homework</u> |
| Week 3 | Reading Reading The Case of The Missing Lunchbox Chapter 2 <u>Week 3 Comprehension</u> |
| Week 4 | Maths- Mixed arithmetic questions <u>Week 4 Arithmetic Homework</u> |
| Week 5 | Reading Reading The Case of The Missing Lunchbox Chapter 3 <u>Week 5 Comprehension</u> |

Please allow your child to work through each week's comprehension or maths work independently first. If they require support, offer guidance.

Church Street, Walshaw, Bury, Lancashire BL8 3AX

www.christchurch.bury.sch.uk

Please make a note of whether your child has needed support for the teacher to see when marking. We will go through each week's work with the children, so they are aware of what to do and go over any questions they have found tricky.

Kind regards,

Mrs Hudson
