

BBC Bitesize Daily Lessons launched on Monday 20th April

As schools are sadly still not allowed to re-open, BBC Bitesize have launched daily lessons from the start of the summer term to make things slightly more interesting for you than me setting you work on the website and on Seesaw!

You'll find daily lessons for home schooling in Maths and English for every year group, as well as regular lessons in Science, History, Geography and more.

Follow this link and explore!

<https://www.bbc.co.uk/bitesize/dailylessons>

I quite like the film clips and little quizzes and I have found playing the maths game, Defenders of Mathematica, very addictive!

Let me know what you think.
