

Our Music Intent

We follow the National Curriculum content for Music. We use the Kapow music scheme resources to deliver the NC content. Music is a universal language that embodies one of the highest forms of creativity. We intend to engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement. As pupils progress, they should develop a critical engagement with music, allowing them to compose, and to listen with discrimination to the best in the musical canon. We aim to ensure that all pupils: perform, listen to, review and evaluate music across a range of historical periods, genres, styles and traditions, including the works of the great composers and musicians; learn to sing and to use their voices, to create and compose music on their own and with others, have the opportunity to learn a musical instrument, use technology appropriately and have the opportunity to progress to the next level of musical excellence; understand and explore how music is created, produced and communicated, including through the inter-related dimensions: pitch, duration, dynamics, tempo, timbre, texture, structure and appropriate musical notations. We expect our pupils to become confident and eager singers and performers, enabling them to experience a variety of opportunities to perform and share their learning and love of music, linking their breadth of music learning to their studies across the curriculum. Music can be enjoyed by all pupils and we recognise it can be particularly engaging and impactful for those with SEND.

Our Music Implementation

During EYFS the pupils will be introduced to a variety of songs to learn and respond to, as well as listening to different pieces of music and having the chance to play simple percussion instruments. Activities taught to the children will be made available in continuous provision and song/music choices will be linked to the topic areas being delivered. Nursery rhymes and phonics rhymes songs are frequently repeated. The Kapow curriculum resources are used to deliver the content of the National Curriculum and music skills and experiences are developed through the four strands of listening, composing, performing and history of music (KS2). KS1 and 2 sing during worship and practice whole school songs during singing and worship on a Monday. Children listen to a variety of musical genre (as suggested in the Model Music Curriculum March 2021) as they enter and leave the hall for assemblies, as well as during lessons. National events marked by a song, such as The Platinum Jubilee, the Coronation, Children In Need are learned and celebrated in assemblies. Some of the music curriculum is delivered by incorporating technology to listen to, compose and produce music, as well as covering the other full aspects of the curriculum. In KS1 and 2 music is taught during a lesson each week, children experience the breadth of the Music NC content, linked in with topics being covered and particularly focussing on music from other faiths and cultures when they fit into the curriculum timetable. Pupils and staff benefit from additional inpt and CPD led by Katie Geelan, a music specialist. The Kapow curriculum resources provide for a wide range of music learning opportunities, linked to the curriculum offer in each year group, allowing for the pupils to learn, practice and develop key music skills and apply them to performance. From KS1

upwards, pupils have the opportunity to learn to play an instrument, such as the recorder, samba percussion or tuned percussion and they learn to read basic music notation, as well as recording using their own notation systems.

Our school choir, perform regularly outside of school, to support the local hospice, sing alongside other schools and take a role in Church services.

We also work closely with the Bury Music Service, to facilitate the learning of musical instruments and in order to take part in wider cross-school events. Front Row Music also work in school to offer the chance to learn the ukulele. Children have the opportunity to perform beyond the classroom during class assemblies and in concerts for pupils and parents. We regularly take part in large choir events such as Young Voices.

Christ Church Music will ...

Allow children to:

Be connected through people and places in our ever-changing world, bringing communities together through whole-school singing, creativity, ensemble playing, listening to a range of music genre and celebrating the performance of others. Bring joy and 'feed the soul of our school community'.

Use their voices expressively and creatively by singing songs and speaking chants and rhymes, with increasing confidence and complexity

Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression

Listen with concentration and understanding to a range of high-quality live and recorded music, with attention to detail and increasing aural memory

Experiment with, create, select, improvise, combine and compose sounds using the inter-related dimensions of music

Use and understand staff and other musical notations

Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians

Develop an understanding of the history of music.

All year groups

Units can be taught in a different order as long as they remain within the same year group. N.B. All units contain five lessons, unless otherwise stated.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
EYFS	Exploring sound	Celebration music	Music and movement	Musical stories	Transport	Big band
Year 1	Pulse and rhythm (Theme: All about me)	Tempo (Theme: Snail and mouse)	Musical vocabulary (Theme: Under the sea)	Timbre and rhythmic patterns (Theme: Fairy tales)	Pitch and tempo (Theme: Superheroes)	Vocal and body sounds: (Theme: By the sea)
Year 2	West African call and response song (Theme: Animals)	Orchestral instruments (Theme: Traditional stories)	Musical me	Dynamics, timbre, tempo and motifs (Theme: Space)	On this island: British songs and sounds	Myths and legends

EYFS

Unit 1	<p>Exploring sound (5 lessons) Exploring how we can use our voice, bodies and instruments to make sounds, and identifying sounds in the environment.</p>
Unit 2	<p>Celebration music (5 lessons) Learning about the music from a range of cultural and religious celebrations, including Diwali, Hanukkah, Kwanzaa and Christmas.</p>
Unit 3	<p>Music and movement (5 lessons) Creating simple actions to well-known songs, learning how to move to a beat and expressing feelings and emotions through movement to music.</p>
Unit 4	<p>Musical stories (5 lessons) Moving to music with instruction, changing movements to match the tempo, pitch or dynamics and learning that music and instruments can convey moods or represent characters.</p>

Our EYFS lessons are a natural precursor to our Year 1 Music plans and focus not only on discrete music learning but also on how to incorporate music into all the other areas of learning.

Unit 5	<p>Transport (5 lessons)</p> <p>Identifying and copying sounds produced by different vehicles using voices, bodies and instruments, demonstrating tempo changes and understanding how symbols can represent sound.</p>
Unit 6	<p>Big band (5 lessons)</p> <p>Learning about what makes a musical instrument, the four different groups of musical instruments, following a beat using an untuned instrument and performing a practised song.</p>

Please read the teacher guidance for:

KS1

Year 1

Autumn 1	<p style="text-align: center;">Pulse and rhythm (Theme: All about me) (5 lessons)</p> <p>Identifying the difference between the pulse and rhythm of a song and consolidating understanding of these concepts through listening and performing activities.</p>	Autumn 2	<p style="text-align: center;">Tempo (Theme: Snail and mouse) (5 lessons)</p> <p>Using voices, bodies and instruments to listen and respond to different pieces of music. Learning and performing a rhyme and song with a focus on tempo.</p>
Spring 1	<p style="text-align: center;">Musical Vocabulary (Theme: Under the sea) (5 lessons)</p>	Spring 2	<p style="text-align: center;">Timbre and rhythmic patterns (Theme: Fairytales) (5 lessons)</p>

Exploring key musical vocabulary, through making visits to underwater worlds and a coral reef. Listening and moving to different types of sea themed music.

Introducing the concept of timbre; learning that different sounds can represent characters and key events in a story. Clapping to the syllables of words and phrases before creating rhythmic patterns.

Pitch and tempo (Theme: Superheroes) (5 lessons)

Learning how to identify high and low notes and to compose a simple tune, exploring some different instruments and investigating how tempo changes help tell a story and make music more exciting.

Summer 1

Vocal and body sounds: (Theme: By the sea) (5 lessons)

Children are encouraged to feel pieces of music, conveying mood through movement and making links between music, sounds and environments.

Summer 2

KS1

Year 2

Autumn 1

West African call and response song (Theme: Animals) (5 lessons)

Autumn 2

Orchestral instruments (Theme: Traditional Western stories) (5 lessons)

Using instruments to represent animals, copying rhythms, learning a traditional African call and response song and recognising simple notation, progressing to creating animal-based call and response rhythms.

Introducing the instruments of the orchestra. Learning how different characters can be represented by timbre, how emotions can be represented by pitch and how changes in tempo can convey action.

[Musical me](#) (5 lessons)

Learning to sing the song 'Once a Man Fell in a Well' and to play it using tuned percussion, adding sound effects, experimenting with timbre and dynamics and using letter notation to write a melody.

Spring 1

[Dynamics, timbre, tempo and motifs \(Theme: Space\)](#) (5 lessons)

Identifying dynamics, timbre, tempo and instruments in music heard and comparing pieces by the same composer. Visually representing music in creative and more formal ways and learning to play and compose motifs.

Spring 2

[On this island: British songs and sounds](#) (5 lessons)

Taking inspiration from the British Isles, exploring how to create sounds to represent three contrasting landscapes: seaside, countryside and city, creating their own soundscapes.

Summer 1

[Myths and Legends](#) (5 lessons)

Developing understanding of musical language and how timbre, dynamics and tempo affect the mood of a song. Learning to create music through the use of a graphic score.

Summer 2

Lower KS2

Year 3

<p>Autumn 1</p>	<p><u>Ballads</u> (5 lessons)</p> <p>Learning what ballads are, how to identify their features and how to convey different emotions when performing... Selecting vocabulary to describe a story, before turning it into lyrics following the structure of a traditional ballad.</p>	<p>Autumn 2</p>	<p><u>Creating compositions in response to an animation (Theme: Mountains)</u> (5 lessons)</p> <p>Listening to music and considering the narrative it represents by paying close attention to the dynamics, pitch and tempo and how they change throughout the piece. Creating original compositions to match an animation.</p>
<p>Spring 1</p>	<p><u>Developing singing technique (Theme: The Vikings)</u> (5 lessons)</p> <p>Developing singing technique; learning to keep in time, musical notation and rhythm, culminating in a group performance of a song with actions.</p>	<p>Spring 2</p>	<p><u>Pentatonic melodies and composition (Theme: Chinese New Year)</u> (5 lessons)</p> <p>Using the story of Chinese New Year as a stimulus: revising key musical terminology, playing and creating pentatonic melodies, composing a piece of music in a group using layered melodies and performing a finished piece.</p>
<p>Summer 1</p>	<p><u>Jazz</u> (5 lessons)</p>	<p>Summer 2</p>	<p><u>Traditional instruments and improvisation (Theme: India)</u> (5 lessons)</p>

Learning about ragtime style music, traditional jazz music and scat singing. Children create a jazz motif using a swung rhythm and play a jazz version of a nursery rhyme using tuned percussion.

Introducing to traditional Indian music. Learning about the rag and tal, listening to a range of examples of Indian music, identifying traditional instruments and creating improvisations and performing.

Lower KS2

Year 4

Body and tuned percussion (Theme: Rainforests) (5 lessons)

Exploring the rainforest through music whilst being introduced to new musical terms. Using a mixture of body percussion and tuned percussion instruments to create rhythms of the rainforest, layer by layer.

Autumn 1

Rock and Roll (5 lessons)

Learning about the origin and features of rock and roll music, playing the Hand Jive and Rock Around the Clock, looking specifically at a walking bass line, and performing a while-class piece.

Autumn 2

Spring 1

Changes in pitch, tempo and dynamics (Theme: Rivers) (5 lessons)

Spring 2

Haiku, music and performance (Theme: Hanami) (5 lessons)

Linking to geography learning, pupils represent different stages of the river through vocal and percussive ostinatos, culminating in a final group performance.

Using descriptive vocabulary to create a Haiku, putting it to music and adding percussion sound effects to bring all elements together before a final, group performance.

[Samba and carnival sounds and instruments](#) (5 lessons)

Introducing samba and the sights and sounds of the carnival. Learning about the traditional sounds and instruments, syncopated rhythms and composing their samba breaks.

Summer 1

[Adapting and transposing motifs \(Theme: Romans\)](#) (5 lessons)

Drawing upon their understanding of repeating patterns in music, pupils are introduced to the concept of motifs and adapt and transpose motifs and perform them to their peers.

Summer 2

Upper KS2

Year 5

Autumn 1

[Composition notation \(Theme: Ancient Egypt\)](#) (5 lessons)

Autumn 2

[Blues](#) (5 lessons)

Identifying the pitch and rhythm of written notes and experimenting with notating their compositions in different ways to help develop their understanding of staff notation.

Identifying the key features and mood of Blues music and its importance and purpose. Learning the 12-bar Blues and the Blues scale, and combining these to create an improvised piece with a familiar, repetitive backing.

South and West Africa (5 lessons)

Learning 'Shosholoza', a traditional South African song, playing the accompanying chords using tuned percussion and learning to play the djembe and some dance moves.

Spring 1

Composition to represent the festival of colour (Theme: Holi festival) (5 lessons)

Exploring the associations between music, sounds and colour, composing and, as a class and performing their own musical composition to represent Holi.

Spring 2

Looping and remixing (5 lessons)

Learning how dance music is created, focusing particularly on the use of loops, and learning how to play a well known song before putting a dance music spin on it to create their own versions.

Summer 1

Musical theatre (5 lessons)

An introduction to musical theatre, learning how singing, acting and dancing can be combined to give an overall performance, exploring how music can be used to tell a story and learning about performance aspects.

Summer 2

Upper KS2

Year 6

<p>Autumn 1</p>	<p>Dynamics, pitch and tempo (Theme: Fingal's Cave) (5 lessons)</p> <p>Appraising the work of Mendelssohn and further developing the skills of improvisation and composition.</p>	<p>Autumn 2</p>	<p>Songs of WW2 (5 lessons)</p> <p>Developing greater accuracy in pitch and control. Identifying pitches within an octave when singing and using knowledge of pitch to develop confidence when singing in parts.</p>
<p>Spring 1</p>	<p>Film music (5 lessons)</p> <p>Exploring and identifying the characteristics of film music. Creating a composition and graphic score to perform alongside a film.</p>	<p>Spring 2</p>	<p>Theme and Variations (Theme: Pop Art) (5 lessons)</p> <p>Exploring the musical concept of theme and variations and discovering how rhythms can 'translate' onto different instruments</p>
<p>Summer 1</p>	<p>Baroque (5 lessons)</p>	<p>Summer 2</p>	<p>Composing and performing a Leavers' Song (6 lessons)</p>

Exploring music of the Baroque Period (from 1600-1750). Looking at the great Baroque composers and musicians and at the structural and stylistic features of the music that they wrote and performed.

Creating their own leavers' song personal to their experiences as a class; listening to and critiquing well known songs, writing the lyrics,, exploring the concept of the four chord backing track and composing melodies.

<p>Unit 1</p>	<p>South Africa (5 lessons) Learning about South African music, singing and playing a gumboot dance-style piece in two parts, as well as learning the basics of staff</p>
<p>Unit 2</p>	<p>Caribbean (5 lessons) Learning about Calypso music, singing and playing a calypso song in two parts from staff notation and adding their own improvisations.</p>
<p>Unit 3</p>	<p>South America (5 lessons) Learning about the music of South America, performing a salsa style piece in 2 parts from staff notation and adding their own improvisations on tuned and untuned percussion.</p>
<p>Unit 4</p>	<p>Indonesia (5 lessons) Learning about the key features of gamelan music, and playing a gamelan inspired piece in two parts on tuned percussion using staff notation.</p>
<p>Unit 5</p>	<p>India (5 lessons) Learning about the history of Indian film and its key musical features, through performing and composing activities using a specially composed film music soundtrack.</p>

Our Instrumental scheme is a progressive scheme of 6 units (30 lessons) and accompanying teacher videos.

See [Guidance for how to fit in our Instrumental scheme](#) for suggestions of how to incorporate our Instrumental scheme into music teaching in your school.

Unit 6

[North America](#)

(5 lessons)

Learning about the key features of minimalism and how it has been influenced by other musical styles, while singing and playing a minimalist piece in two parts from staff notation.

EYFS	◆ <u>Exploring sound</u>	<u>Celebration music</u>	◆ <u>Music and movement</u>	<u>Musical stories</u>	◆ <u>Transport</u>	◆ <u>Big band</u>
Key knowledge from the unit	To understand how to listen carefully and talk about what I hear.	To know that there are special songs we can sing to celebrate events.	To know that the beat is the steady pulse of a song.	To understand that a piece of music can tell a story with sounds.	To recognise that voices and instruments can imitate sounds from the world around us (eg. vehicles).	To know that an orchestra is a big group of people playing a variety of instruments together.
	To know that sounds can be copied by my voice, body percussion and instruments.	To understand that my voice or an instrument can match an action in a song.	To recognise music that is 'fast' or 'slow.'	To know that different instruments can sound like a particular character.	To know that the beat is the steady pulse of a song.	To know that music often has more than one instrument being played at a time.
	To understand that instruments can be played loudly or softly.	To know that moving to music can be part of a celebration.	To understand that we can match our body movements to the speed (tempo) or pulse (beat) of music.	To understand what 'high' and 'low' notes are.	To recognise music that is 'fast' or 'slow.'	To understand that performing means playing a finished piece of music for an audience.
	To know that music often has more than one instrument being played at a time.	To recognise that different sounds can be long or short.	To know that signals can tell us when to start or stop playing.

Key knowledge from the unit	To know that rhythm means a pattern of long and short notes.	To understand that the pulse of the music can change.	To understand that pitch means how high or low a note sounds.	To know that an instrument or rhythm pattern can represent a character in a story.	To understand that tempo can be used to represent mood or help tell a story.	To know that dynamics can change how someone listening feels about music.
	To know that pulse is the regular beat that goes through music.	To know that sounds can help tell a story.	To know that 'timbre' means the quality of a sound; eg that different instruments would sound different playing a note of the same pitch.	To know that my voice can create different timbres to help tell a story.	To understand that 'tuned' instruments play more than one pitch of notes.	To know that your voice can be used as a musical instrument.
	To understand that the pulse of music can get faster or slower.	To know that my voice, body and instruments can show fast and slow beats.	To know that music has layers called 'texture'.	To know that Sergei Prokofiev wrote 'Peter and the Wolf' for children in 1936.	To know that following a leader when we perform helps everyone play together accurately.	To know that body percussion means making sounds with your body not your voice, eg clapping or slapping knees.

♦ NB. Unit appears in the condensed curriculum

	To know that a piece of music can have more than one section, eg a versed and a chorus.						To understand that music can be represented by pictures or symbols.

Year 2	♦ <u>African call and response song (Animals)</u>	♦ <u>Orchestral instruments (Traditional Western stories)</u>	♦ <u>Musical me</u>	<u>Dynamics, timbre, tempo and motifs (Space)</u>	<u>On this island: British songs and sounds</u>	♦ <u>Myths and legends</u>
Key knowledge from the unit	To know that dynamics can change the effect a sound has on the audience.	To know that musical instruments can be used to create 'real life' sound effects.	To understand that 'melody' means a tune.	To know that a 'soundscape' is a landscape created using only sounds.	To know that folk music represents the traditions or culture of a place and is often passed on by being played rather than written down.	I know that a graphic score can show a picture of the structure of music.
	To know that the long and short sounds of a spoken phrase can be represented by a rhythm.	To know that woodwind instruments, like flutes, are played by blowing air into or across a mouthpiece.	To know that 'notation' means writing music down so that someone else can play it.	To know that a composer is someone who creates music and writes it down.	To know that 'duration' means how long a note, phrase or whole piece of music lasts.	To know that a graphic score can show a picture of the layers, or 'texture', of a piece of music.
	To understand that structure means the organisation of sounds within music, eg a chorus and verse pattern in a song.	To know that stringed instruments, like violins, make a sound when their strings vibrate.	To understand that 'accompaniment' can mean playing instruments along with a song.	To understand that a motif is a 'sound idea' that can be repeated throughout a piece of music.	To know that a composition is a collection of musical elements, like the melody, percussion, dynamics etc that together make a piece of music.	To know that 'Tintagel' is an example of a 'symphonic poem' written by Arthur Bax in 1917.
	To understand that the tempo of a musical phrase can be changed to achieve a different effect.	To know that a brass instrument is played by vibrating your lips against the mouthpiece.	To understand that a melody is made up from high and low pitched notes played one after the other, making a tune.			

	To understand that an instrument can be matched to an animal noise based on its timbre.	To know that some tuned instruments have a lower range of pitches and some have a higher range of pitches.

Key knowledge from the unit	To know that a ballad tells a story through song.	To understand that the timbre of instruments played affect the mood and style of a piece of music.	To know that the group of pitches in a song is called its 'key' and that a key decides whether a song sounds happy or sad.	To know that the word 'crescendo' means a sound getting gradually louder.	To understand that 'syncopation' means a rhythm that is played off the natural beat.	To know that Indian music uses all of the sounds in between the 12 'notes' that we are used to in western music.	
	To know that lyrics are the words of a song.	To know that an ensemble is a group of musicians who perform together.	To know that different notes have different durations, and that crotchets are worth one whole beat.	To know that some traditional music around the world is based on five notes called a 'pentatonic' scale.	To know that Ragtime is piano music that uses syncopation and a fast tempo.	To know that a 'tala' is a set rhythm that is repeated over and over, usually on the drums called 'tabla'.	

◆ NB. Unit appears in the condensed curriculum

	To know that in a ballad, a 'stanza' is a verse.	To know that to perform well, it is important to listen to the other members of your ensemble.	To understand that 'reading' music means using how the written note symbols look and their position to know what notes to play.	To understand that a pentatonic melody uses only the five notes C D E G A.	To know that jazz is a type of music that originated in the African-American communities of the USA about 120 years ago.	To know that a 'rag' is the tune in traditional Indian music, and is often played on a stringed instrument called a 'sitar'
			To know that written music tells you how long to play a note for.		To know that 'scat singing' is using made-up words to create the sound of an instrument playing.	To know that a 'drone' in music is a note that goes on and on, staying the same, a bit like someone humming a long-held note.
						To know that many types of music from around the world consist of more than one layer of sound; for example a 'tala' and 'rag' in traditional Indian music.

Key knowledge from the unit	To know that deciding the structure of music when composing can help us create interesting music with contrasting sections.	To know that rock and roll music uses blues chord structures, with a fast tempo and strong vocals. It was created after the second world war and it was intended to represent happiness.	To know that when you sing without accompaniment it is called 'A Capella'.	To know that a glissando in music means a sliding effect played on instruments or made by your voice.	To know that samba music originated in Brazil, South America and its main musical feature is syncopated rhythms.	To understand that musical motifs (repeating patterns) are used as a building block in many well-known pieces of music for example, Beethoven's fifth symphony (dah dah dah dum!).
	To know that combining different instruments and different rhythms when we compose can create layers of sound we call 'texture'.	To know that a bass line is the lowest pitch line of notes in a piece of music, and a walking bassline (where patterns of notes go up then down again) is common in rock and roll.	To understand that harmony means playing two notes at the same time, which usually sound good together.	To know that expressive language (like a poem) can be used as inspiration for composing music.	To understand that the 'on beat' is the pulse of a piece of music, and the 'off beat' is beats that fall in between these.	To know that 'transposing' a melody means changing its key, making it higher or lower pitched.
	To know that a 'loop' in music is a repeated melody or rhythm.	To know that playing in time means all performers playing together at the same speed.	An ostinato is a musical pattern that is repeated over and over; a vocal ostinato is a pattern created with your voice.	To understand that both instruments and voices can create audio effects that describe something you can see.	To understand that a rhythmic break is a place in the music where some of the instruments play a new rhythm before going back to the original rhythms.	To know that a motif can be adapted by changing the notes, the rhythm or the order of notes.

	To know that changing the dynamics of a musical phrase or motif can change the texture of a piece of music.	To know that playing 'in time' requires playing the notes for the correct duration as well as at the correct speed.	To know that 'performance directions' are words added to music notation to tell the performers how to play.	To know that grouping instruments according to their timbre can create contrasting 'textures' in music.

Key knowledge from the unit

To know that simple pictures can be used to represent the structure (organisation) of music.	To understand that a chord is the layering of several pitches played at the same time.	To know that songs sung in other languages can contain sounds that are unfamiliar to us, like the clicks of the Xhosa language.	To know that a vocal composition is a piece of music created only using voices.	To know that dance music is usually produced using electronic percussion sounds, and recordings of the music are played by DJs in clubs or at festivals.	To understand that musical theatre includes both character and action songs, which explain what is going on and how characters feel.
To understand that a slow tempo and a minor key (pitch) can be used to make music sound sad.	To know that 12-bar Blues is a sequence of 12 bars of music, made up of three different chords.	To know that 'The Click Song' is a traditional song sung in the Xhosa language and is believed to bring good luck at weddings.	To understand that varying effects can be created using only your voice, for example by changing the pitch, dynamic or tempo of the sounds made.	To know that a loop is a repeated rhythm or melody, and is another word for ostinato.	To know that choreography means the organisation of steps or moves in a dance.
To understand that in written staff notation, notes can go on or between lines, and that the lines show the pitch of the note.	To know that 'blues' music aims to share feelings and blues songs tend to be about sadness or worry.	To understand that major chords create a bright, happy sound.	To understand that human voices have their own individual timbre, and that this can be adapted by using the voice in different ways.	To know that remix is music that has been changed, usually so it is suitable for dancing to.	To know that musical theatre uses transitions, which are short passages of music used to move between sections of the musical action.
	To know that a 'bent note' is a note that varies in its pitch, eg the pitch may slide up or down.	To know that poly-rhythms means many rhythms played at once.	To know that the duration of a note or phrase in music can be shown using a repeated symbol or the size of a symbol on a graphic score.

Key knowledge from the unit	To know that the conductor beats time to help the performers work well together.	To know that 'Pack up your troubles in your old kit bag' and 'We'll meet again' are examples of songs popular during WW2	To know that a film soundtrack includes the background music and any songs in a film.	To know that a 'theme' is a main melody in a piece of music.	To know that a 'polyphonic' texture means lots of individual melodies layered together, like in a canon.	To know that a chord progression is a sequence of chords that repeats throughout a song.			
	To understand that improvisation means making up music 'on the spot'.	To know that the Solfa syllables represent the pitches in an octave.	To understand that 'major' key signatures use note pitches that sound cheerful and upbeat.	To know that 'variations' in music are when a main melody is changed in some way throughout the piece.	To know that music in which very similar parts are introduced one by one to overlap is called a canon.	To know that a melody can be adapted by changing its dynamics, pitch or tempo.			

◆ NB. Unit appears in the condensed curriculum

	To understand that texture can be created by adding or removing instruments in a piece and can create the effect of dynamic change.	A 'counter-subject' or 'counter-melody' provides contrast to the main melody.	To understand that 'minor' key signatures use note pitches that can suggest sadness and tension.	To know that 'The Young Person's Guide to the Orchestra' was written in 1945 by Benjamin Britten.	To know that ground bass is a repeating melody played on a bass instrument in Baroque music.	To know that chord progressions are represented in music by Roman numerals.
	To know that timbre can also be thought of as 'tone colour' and can be described in many ways eg warm or cold, rich or bright.	To know that a counter-melody is different to harmony because it uses a different rhythm as well as complementary notes.	To know that 'graphic notation' means writing music down using your choice of pictures or symbols but 'staff notation' means music written more formally on the special lines called 'staves'.	To understand that representing beats of silence or 'rests' in written music is important as it helps us play rhythms correctly.	To know that a 'counter-subject' or 'counter-melody' provides contrast to the main melody.	To understand that all types of music notation show note duration.
					To know that a counter-melody is different to harmony because it uses a different rhythm as well as complementary notes.	
					To know that a canon is a musical structure or 'form' in which an opening melody is imitated by one or more parts coming in
