

Do you and your child want to be part of developing Bury's approach to SEND?

What is involved? Bury's Inclusion Service and Educational Psychology Service are working to develop Bury's graduated approach document. This is a guidance toolkit to support settings and schools in Bury to confidently identify and support children and young people's SEND. **To ensure the toolkit includes the experiences of people living in Bury, we want to meet with parents, carers, children and young people.** This short video clip explains the project: <https://youtu.be/q4cDgXwndZc>

How can you get involved?

- Opportunities to hear about the project & opportunities to share your views and experiences.
- Complete an **online questionnaire** (Google Form) using this link: [Bury's Graduated Approach Document - Views to guide development \(google.com\)](#)
- Join a **virtual meeting** led by the Educational Psychology Service (next meeting is 24th May 2022).

When and where?

The next virtual meeting for parents and carers is:

**Thursday 24th May 2022 (10am- 11am)
on Microsoft Teams**
