MESSAGE FROM MRS JAMES

We have had another wonderful week at Christ Church, filled with learning, reflection and opportunities to come together as a school community.

I would like to extend a particularly warm welcome to the new families who have joined us this week in Year 2 and Year 6. We are delighted to have you as part of our Christ Church family and look forward to getting to know you over the coming weeks.

On Monday, our Value Ambassadors led a thoughtful and engaging collective worship, encouraging us all to reflect on our school value of Wisdom. They did a fantastic job of helping our children consider how wisdom can guide our choices and actions both in school and beyond.

On Tuesday morning, we were pleased to welcome Ben Dunne, Director of Education for Bury, to school. During his visit, he spent time in every classroom and spoke with many of our pupils and staff. We were incredibly proud to hear his positive comments about our children, the dedication of our staff and the warm, nurturing environment that makes Christ Church such a special place to learn and grow.

We were also delighted to see so many children enjoying the Friends of Christ Church School Disco. A huge thank you to the Friends team and volunteers for organising such a successful event. It was wonderful to see the children having so much fun together.

Thank you, as always, for your continued support. The strong partnership between home and school is one of our greatest strengths, and together we help make Christ Church the very special place that it is.

Wishing you all a lovely weekend.
