MESSAGE FROM MRS JAMES

Happy Friday!

We have had a wonderful Celebration Worship this afternoon, it has been a joy to celebrate the many achievements of our amazing children. We are always incredibly proud when children share their successes, both in and out of school, and this week has been no exception. We have enjoyed celebrating dance certificates, swimming badges, Brownies awards, trophies and artwork, all showcasing the talents, dedication and hard work of our children.

As a Christ Church family, we are blessed to see our children flourish in so many ways. Alongside their achievements beyond school, we have also celebrated excellent learning in the classroom, including some fantastic maths work. Most importantly, we have seen our children living out our Christian values of kindness, love, hope, perseverance, respect and wisdom in everything they do. They continue to inspire us with their caring attitudes, positive choices and willingness to support others.

We thank God for the many gifts and talents of our children and look forward to celebrating many more successes together.

Have a lovely weekend.
