

Final Newsletter 2022

Monday 12th December 2022

Dear Parents and Carers,

We have nearly reached the end of another successful term, so I wanted to confirm the final arrangements for the last few days.

Firstly, thank you for your support during our recent Ofsted inspection, it was much appreciated. We are hoping that the report will be published before the end of term, as we are keen to share it with you all.

Also, the Friend's Christmas Fair on Friday night was very well attended- I hope you enjoyed visiting it and thank you for your non-uniform day contributions, which helped to make the stalls so successful.

During the Spring and Summer terms, I will be supported by Mrs Hudson and Mr Beck who will start the role of Assistant Head Teachers- this will be hugely beneficial to leadership in school.

From January we will be working with Technola across the school, who will be delivering Computing and/or Music in all classes. This is a very exciting prospect, they have amazing tech to use in class!

Finally, we have had a number of complaints from our neighbours about the way parents are parking when collecting their children from school. Please make every effort to be considerate and park safely, avoiding using Moyse Avenue whenever possible.
