Knowledge Organisers

Dear Parents and Carers,

This half term we will be sharing with parents our Knowledge Organisers for Science and Topic (History or Geography). These might be shared on class pages of the school website, Seesaw or be stuck into the Home Learning Challenge books.

Knowledge Organisers are tools to record key learning and vocabulary for a particular topic. In school, these are stuck into children's books for them to reference and put on our display boards.

We hope you find the useful as your child completes challenges. It will hopefully help you understand what they need to know by the end of each topic.

Kind regards,
The Teaching Staff
