Maternity News

Dear Parents and Carers,

Parents of Ash class children are already aware that Miss Founde is expecting a baby which is due in March 2025.

We are holding interviews in a couple of weeks for a teacher to cover her position, this has been advertised during December. We may use part-time staff to cover her role, depending on the quality of the applications we have received. I will update you with our final cover plans for the class after 22nd January.

She is hoping to be working until half term in February.

We wish her a wonderful time on maternity leave, when the time comes.

Mrs Ryding has confirmed this week that she too is expecting a baby in June this year.

We will be seeking to cover the Year 5 class internally until the end of term and appoint a temporary staff member from September. I will keep parents informed of details nearer the time.

We are delighted for both staff members, have given our congratulations and hope for smooth journeys for them both over the coming months,

Yours sincerely,
Mrs S Howard
Headteacher
