### Robinwood Visit 2024

Dear Parents/Carers,

We have reached the end of term without hearing from you about your child attending Robinwood next June.

This is an annual residential visit that our Year 6 children have experienced for many years. I have given nearly a years' notice about the date, as we fully understand that this is an expensive visit to fund. School subsidises the cost of the visit by covering the substantial coach cost and some of the course costs, because we feel it is of such benefit for the children to attend.

However, we cannot go ahead with the visit unless three more children commit to attending. You have not indicated if your child wishes to attend the visit or not.

If you have a concern about the payment, or are on Pupil Premium/FSM, then I asked for you to contact me to discuss any further support we can provide in order for your child to attend.

We will be checking emails this week so can contact you should you need to discuss this further.

If no further children intend to attend the residential, then I will have to cancel the visit.

Please let school know your intentions as soon as possible,

Kind regards  
Mrs S Howard
