Y6 RESIDENTIAL EDUCATIONAL VISIT to ROBINWOOD
Monday 7th - Wednesday 9th June 2027

Dear Parents and Carers,

Thank you to everyone who took the time to carry out the parent questionnaire about the residential next year. We have looked at alternatives and found the Robinwood price to be comparable for the time of year and the wide range of activities the children get to take part in.

We are writing to tell you we have provisionally booked our residential visit for Year 6 children to Robinwood for next year. We will be going between 7th -9th June 2027

We are going to Dobroyd Castle in Todmorden, which is a super centre, we've visited many times before and always had great fun with excellent activity leaders. Please follow the link to their website for information about the centre:

[Dobroyd Castle Activity Centre - West Yorkshire - Robinwood](#)

The visit will be a marvellous experience for the children and staff. The residential element is very important, giving children the chance to be independent and stay away from home, whilst the activities the children engage with provide opportunities for pupils to work as a team, problem solve and experience thrills and challenges; examples of the activities are the giant swing, zipwire, caving, archery and the dreaded piranha pool!!

Due to rising operational costs at the centre, the cost of visiting Robinwood has seen a big increase. We have endeavored to keep the price as low as possible, this year the cost of the trip will be £400.

To finalise the booking, we need to be certain of numbers and are therefore asking parents to pay an **£80 deposit**, to secure a place for their child by **13th July 2026**. Please also tick the permission box on School Money. We need at least **30 children** to make the visit viable. But we hope every child will be able to experience this fantastic opportunity.

The full amount must be paid by **28th May 2027**. You can pay the rest in amounts as you wish, over the next 11 months, using School Money and I'm contacting you now to give you plenty of time to pay in instalments, as I appreciate it is a substantial cost.

There will be a meeting for parents before the visit takes place with detailed information about activities, accommodation and itinerary. We are aware there were some questions about meal choices and rooms etc. Please pop into the office or ring or email schools with any worries you have prior to paying your deposit so we can put your mind at ease.

Here is an example of how you can spread the cost. Parents can pay in one installment or spread the cost over the year by paying amounts that work for you!

Yours sincerely,
Mrs K James
