Use of the School Car Park

Dear Parents and Carers,

We have noticed an increased number of cars are requesting to be allowed onto the school car park at the beginning and end of the school day. This is becoming a hazard due to the movement of cars whilst children are arriving at or leaving the school site- particularly from the KS1 building.

Only a very few parents have requested to bring cars on site at this time, but we are finding other cars attempting to access the school grounds.

We will not be allowing any cars into the car park from Monday 28th April. Those who feel they have a valid reason to come onto the car park must contact school again and have this confirmed by Mrs Howard, the office staff will keep an up to date list of those who have had permission.

Any person allowed to come onto the school car park MUST be prepared to arrive before usual school time- 8.35am, waiting with children until it is time to enter school and leave once most pedestrians have left, no sooner than 8.55am. At the end of the day they must be arriving by 3.15pm at the latest and waiting to leave until 3.40pm. Otherwise cars are attempting to enter and leave the school site when families are still walking across the school driveway.

Please note- if you feel you have reason to use the school car park, following the above times, then you must contact the school office to have this privilege confirmed,

Yours sincerely,
Mrs S Howard
Headteacher
