Family Help Community Drop-In's

We know that every family will experience challenges and difficulties at different times in theirs and their children's lives, and that this is completely normal!

However, we also know that sometimes these problems can start impacting on family life, and at times 'asking for help' either seems too daunting, or embarrassing, or you may have no idea where to go, or who to ask for support!

We want to ensure that every family has access to the right help at the right time in the area that they live.

Therefore, our family help team will now be offering weekly drop-in sessions at various locations across the borough, so that parents, carers, grandparents or others!

Can come in and speak to one of our trained practitioners who will be able to offer advice, guidance, and support, or sign post you to the right service who can help.

We can offer one-to-one advice on a range of topics such as:

- Parenting
- Mental Health
- School or college
- Finances
- Parental conflict
- Friendships
- Sexual health
- Domestic abuse
- Family relationships & difficulties
- Substance misuse
- Housing
- General worries or queries
